TREATMENT OF DETAINED JUVENILES)	No. 2004-182
)	JUVENILE ADMINISTRATIVE ORDER
_____)	No. 2004-028

In order to protect and provide for the health and well-being of juveniles who are detained in the Maricopa County Juvenile Detention facilities, and to prevent the spread of infectious diseases, the following Administrative Order is entered:

IT IS HEREBY ORDERED that the Medical Director for the Maricopa County Juvenile Court Center's Detention Clinics and medical staff, under the direction of the Medical Director, are authorized to provide to all detained juveniles, at the first possible opportunity after their initial admission to a Maricopa County Juvenile Detention Facility, a comprehensive health assessment which shall include, but is not limited to, the following:

1. A complete medical history;
2. A physical examination, which may include screening for infectious diseases including sexually transmitted diseases, pelvic examinations, breast examinations, HIV testing (with the juvenile's prior written consent) and all medically appropriate follow up care and treatment.
3. A mental status evaluation;
4. A dental assessment;
5. Any clinical laboratory test, including x-ray, which are medically necessary for the evaluation of a juvenile's health status; and
6. All medically appropriate immunizations.

IT IS FURTHER ORDERED that during the course of the juvenile's detention, that the Medical Director for the Maricopa County Juvenile Court Center's Detention Clinics and medical staff, under the direction of the Medical Director, are authorized to provide medically appropriate care and treatment, including mental and behavioral health services, on a non-emergency basis, consistent with the health care needs of the juvenile and the comprehensive health assessment referenced above.
